Hired 1 January 1984 or Later

SUMMARY: Attached for your detailed analysis and implementation is the Conference Report on the Federal Physicians Comparability Allowance Act (Act)--H.R. 2077, together with a joint explanatory statement. Also attached is a copy of the 4 November 1983 Congressional Record that records the House insistence that Office of Personnel Management (OPM) study the Senior Executive Service (SES) and the impact of Section 5383 (b), Title 5, United States Code (copy also attached).

1. Title I of the Act extends the 1978 Act for four (4) years beginning 1 October 1983.

2. Title II of the Act is the Senator Ted Stevens' (R., AK) solution to the all-too-familiar dual retirement coverage dilemma created by amendment to the Social Security Act earlier this year that mandated Social Security coverage for all federal employees as of 1 January 1984.

3. Title III of the Act relates to an OPM study of the SES. The full text of Title III is shown in the middle column of the 4 November 1983 Congressional Record, page H 9223.

4. As of 16 November 1983, both Houses of Congress had ratified the attached Conference Report.
